**CERTIFICATE OF DISCLOSURE**

**GUARANTEE PERIOD/INTEREST CREDITING**

This is a Single Premium Deferred Annuity contract, which is a long-term contract. You choose the guaranteed rate period that is best for you. This period begins on the date of issue and ends on the last day of the chosen period. After your chosen rate period ends you will have a number of options as described in the "Renewal of Guarantee Period" below. Interest is credited and compounded on a daily basis. The rates below are the current effective annual rates.

Guaranteed Interest Term	3 Year	5 Year	7 Year	10 Year
Guaranteed Interest Rate	4.10%	4.90%	4.90%	4.90%
Add Free Withdrawal Waiver Rider Only <sup>(1)</sup>	4.20%	5.00%	5.00%	5.00%
Add Withdrawal Charges Waiver Rider Only <sup>(2)</sup>		5.40%	5.40%	5.40%
Interest Rate with Both Riders		5.50%	5.50%	5.50%

- (1) By selecting this rider, the 10% annual free withdrawal included in the policy will be waived and any withdrawal of the Single Premium Payment amount will incur withdrawal charges as detailed below.
- (2) By selecting this rider, the interest rate on your annuity may be changed on each anniversary date of your policy to no less than 1% on the 5-year, 7-year, and 10-year terms. If the rate is reduced below the initial rate, you will be able to fully withdraw your annuity balance with no withdrawal charges or MVA.

**KEY ANNUITY TERMS**

**Single Premium Deferred Annuity**

This annuity is a single premium deferred annuity. Additional premiums may not be added in the future.

**Death Benefits**

Death Benefits are equal to the account value upon death of the owner.  
 If the owner's spouse is the sole beneficiary, the spouse may continue the policy in his or her own name.

**No Sales Charges or Fees**

There are no annual maintenance fees and no front-end sales loads.

**Right to Examine Annuity**

Within the first 30 days after you receive your annuity, you may return the annuity and receive 100% of your premium, minus any prior withdrawals

Issue Ages	Minimum/Maximum Premium
0-90 years old	\$2,000-500,000

**Exceptions to Surrender Charges & MVA**

1. You may withdraw 100% of your accumulated interest and RMD free of all charges at any time
2. You may withdraw 10% of the account value each year (including any accumulated interest amount) free of surrender charges. MVA calculation will apply. This exception may not apply if you selected the Free Withdrawal Waiver rider.
3. In the event of owner death, withdrawal charges and MVA are waived and benefits equal the account balance
4. You may elect to annuitize at any time after the first year from a number of options. Surrender charges and MVA are waived with a payout period of 5 years or longer

**MARKET VALUE ADJUSTMENT**

When you make a withdrawal, we also may increase or decrease the amount you receive based on a market value adjustment (MVA). If interest rates went up after you bought your annuity, the MVA likely will decrease the amount you receive. If interest rates went down, the MVA will likely increase the amount you receive.

**WITHDRAWAL CHARGES**

During the Initial Guarantee Period and any Subsequent Guarantee Period, a Withdrawal Charge will be assessed if you make a withdrawal or surrender your contract, unless the surrender charge is waived as explained above.

Year	1	2	3	4	5	6	7	8	9	10
3 Year	9%	8%	7%							
5 Year	9%	8%	7%	6%	5%					
7 Year	9%	8%	7%	6%	5%	4%	3%			
10 Year	9%	8%	7%	6%	5%	4%	3%	2%	1%	0.5%

**TAXES TREATMENT**

You may be subject to a 10% federal tax penalty if you make withdrawals, including Penalty-Free Withdrawals, or surrender this annuity before age 59 ½. If this annuity is within a qualified plan all distributions may be taxable. Under current tax laws annuities grow tax deferred. An annuity is not required for tax deferral in a qualified plan. Any distribution may cause a taxable event. When you take payouts or make a withdrawal, you pay ordinary income taxes on the earned interest. Neither American Century nor our agents offer tax advice. Please consult your own personal advisor for your specific situation.

**RENEWAL OF GUARANTEE PERIOD**

During the last 30 days before the end of any guarantee period, you may Request one of these options to take effect on the next Contract Anniversary:

- (1) Keep your contract and earn minimum annual interest of 2% with no Withdrawal Charges or MVA. In this option interest rate will fluctuate, but will never be below 2% annually. You will be able to withdraw your Account Value at any time without additional Withdrawal Charges or MVA.
- (2) Continue Your contract for a Subsequent Guarantee Period of the same duration as the preceding guarantee period and at the applicable Subsequent Guaranteed Interest Rate;
- (3) Apply the Account Value to a Settlement Option, which include the annuitization of the account value to either life income, life income with 120 months certain, or payment for a fixed period.
- (4) Take a partial withdrawal, with MVA and Withdrawal Charge Percentages waived, and apply the remaining value to a Subsequent Guarantee Period of the same duration as the preceding guarantee period and at the applicable Subsequent Guaranteed Interest Rate; or
- (5) Surrender the entire contract with MVA and Withdrawal Charge Percentages waived.

We will notify You at least 45 days before the expiration of a guarantee period. Unless You Request one of the options shown above, option (1) above will be elected as the default option for your policy.

**If Your contract is continued for a Subsequent Guarantee Period (option (2) above), the MVA, applicable Withdrawal Charge Percentage, and Withdrawal Charge Period shown in the Data Section apply to the new guarantee period.**

**NOTE**

This document is not a legal contract. For the exact terms and conditions, please refer to the annuity policy/contract.

I have made the recommendation to purchase this annuity based on the information gathered. The product meets the customer’s financial needs and objectives based on the information the customer provided. Further, if my recommendation includes the replacement of an existing life insurance policy or annuity contract, I believe this new annuity provides additional or new benefits over the replaced policy or contract based on the information provided by the customer. I have not made any representations or promises about the future value of this contract that differ from the company provided materials.

I understand and acknowledge that some annuity recommendations, such as those related to “rollovers” or transfers from certain retirement plans or IRAs, could be “fiduciary” investment advice recommendations as that term is defined by ERISA and the Internal Revenue Code. If I make such a fiduciary recommendation, I acknowledge that I am responsible for complying with the requirements of an applicable U.S. Department of Labor prohibited transaction exemption covering any receipt of sales-related compensation. I understand and acknowledge that if I choose to rely on PTE 84-24, an 84-24 disclosure form must be completed, signed by the applicant and me, and a copy left with the applicant. **IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES**

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchase are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on an existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involved the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?  Yes  No
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?  Yes  No

If you answered "Yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (including the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing.

Insurer Name	Contract or policy #	Insured or Annuitant	Replaced or financing
1.			
2.			
3.			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because: \_\_\_\_\_

I do not want this notice read aloud to me (Applicants must initial only if they do not want the notice read aloud.) \_\_\_\_\_

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agents that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agents to determine whether replacement or financing your purchase makes sense.

#### **PREMIUMS**

Are they affordable?

Could they change?

You're older – are premiums higher for the proposed new policy?

How long will you have to pay premiums on the new policy? On the old policy?

#### **POLICY VALUES**

New policies usually take longer to build cash values and to pay dividends

Acquisition costs for the old policy may have been paid, you will incur costs for the new one

What surrender charges do the policies have?

What expense and sales charges will you pay on the new policy?

Does the new policy provide more insurance coverage?

#### **INSURABILITY**

If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down

You may need a medical exam for a new policy

Claims on most new policies for up to the first two years can be denied based on inaccurate statements

Suicide limitations may begin anew on the new coverage

#### **IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY**

How are premiums for both policies being paid?

How will the premiums on your existing policy be affected?

Will a loan be deducted from death benefits?

What values from the old policy are being used to pay expenses?

#### **IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT**

Will you pay surrender charges on your old contract?

What are the interest rate guarantees for the new contract?

Have you compared the contract charges or other policy expenses?

#### **OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS**

What are the tax consequences of buying the new policy?

Is this a tax free exchanges? (See your tax advisor.)

Is there a benefit from favorable "grandfathering" treatment of the old policy under the federal tax code?

Will the existing insurer be willing to modify the old policy?

How does the quality and financial stability of the new company compare with your existing company?
